RO PLASTIC-MASTER'S PIECES

calling artists to reuse and reinvent plastic waste

Fabio Novembre / Jolly roger

Dimension: 74 x
74 x 85 cm

Not good in drawing, but he has exceptional writing skills. **Fabio Novembre** is born in Puglia and he considers himself as an “Architectural anarchic”. Since 1994, he is been running his own studio trying to match life style and design philosophy. He can work across different project scale, from interior architecture to master planning, from industrial to graphic design, always mixing up materials, new and hold, he modulates the time zone of each interior from Byzantium to Blade Runner.
